

Memories From The Kitchen

Collected with Care by:
Harbors Home Health &
Hospice

Dear Friends of Harbors Home Health & Hospice,

We are thrilled to announce an exciting new project that brings together our team and community supporters in a delicious way. *Our very own custom cookbook!*

The cookbook will feature a collection of favorite recipes from family and friends of Harbors Home Health & Hospice, past and present. We believe that food has a distinct way of connecting people, and this cookbook will serve as a treasured keepsake, reminding us of great memories around making and sharing food as well as the strong bonds we share as a community.

As a non-profit, patient care is always at the forefront of our decisions. The money raised through this cookbook will be used to continue in our efforts to provide quality health services to everyone who lives in Grays Harbor and Pacific County, regardless of their ability to pay. By contributing your recipes along with purchasing the book, you are directly making a positive impact on the lives of those in our community.

We invite you to share a couple of your most cherished recipes, each representing a part of your life or in memory of a loved one. There will be a notes section where you can add a brief individualized touch, sharing why each recipe is meaningful to you or the memories it holds with your loved ones. To ensure the success of this endeavor, we urge all members of our community to participate. The more recipes we gather, the richer and more diverse our cookbook will be. To have your recipes included in the cookbook, kindly submit your recipes online by October 1st, 2023. This will give us ample time to meet our publishing deadline and have the cookbooks ready for the Christmas season.

In addition to sharing your memories, we invite you to reserve your copies of the cookbook. Please email David Quigg at davidq@myhyyy.org and let him know the number of cookbooks you wish to purchase, along with your name and contact information. The cookbooks will be available for \$14.99 each.

On the back side of this letter are the easy-to-follow directions on how to add your recipe and note to the cookbook. We are looking forward to receiving your recipes and creating a cookbook that truly reflects the spirit of our community.

Thank you for your ongoing support and generosity.

Warmest regards,

Ryan Larsen
